Thank u for making our 70th Anniversary trip so special. From the welcome sign at the entrance, to all your staff it was amazing. Will never forgot all the support and hard work and planning u put into this. The closing dinner with u, Pam and Chris and my family was truly the highlight for me. U all are very special people and showed us the true meaning of southern hospitality. The Proclamation will get framed and hang in our foyer to bring back lasting memories. Ron Eyre Eyre Bus, Tour & Travel

I got to see 4 wonderful Starr Drivers and Tour Directors in action and I learned why they are so beloved by Starr travelers.

I was able to experience this with my parents, the co-owners of Starr and the people behind the scenes who have kept this company going strong for the last 45 years!

I saw 6 amazing shows from comedy to Broadway-style, from Circus-style to variety. They were all different and all terrific. Who knew Pigeon Forge offered such world-class entertainment!

Last week, we celebrated Starr's 70th Birthday with 4 bus loads of passengers from all over the tri-state area. This fabulous 6 day vacation to the Smoky Mountains of Tennessee was filled with great shows, unique attractions, lots of food and many fond memories.
